

Have you ever met  
**a person  
who is homeless?**

Meet Sarah. Sarah is 19 years old and no longer in foster care. She has a couple of part-time jobs and takes an evening class at a local college. Sarah's looked hard for housing, but can't find anything she can afford to rent. For the past month she's slept on a co-worker's sofa. She's not sure what will happen next.

Fact: The majority of people who are homeless do not live on the street.

Homelessness, together we can solve it.
