## Audubon Green Leaf Eco-Rating Program for Hotels

### Hotel Sofitel, Chicago, Illinois

“Hotel Sofitel Chicago Water Tower’s enthusiastic participation in the Audubon Green Leaf™ Eco-Rating Program has many contributing factors. First, we see this as an excellent opportunity to reduce the effect we have on the environment. Second, we can operate our facility more efficiently and achieve cost-savings. And third, our Green Leaf rating makes our hotel extremely attractive to organizations that have a Green Traveling Policy. We also see this as a fabulous opportunity to take our commitment as far as we can and achieve the 5 Green Leaf rating.”
